IT'S EASY BEING **GREEN.**

When it comes to electronics recycling, companies like Magnum Computer Recycling in Pennsauken make it even easier. According to owner John Martorano, Jr., it's often a lack of awareness that impedes proper recycling practices. So, his team helps companies and consumers find ways to reuse and recycle a wide range of electronic devices.

DID YOU KNOW?

- Recycling one million laptops saves the equivalent of energy used by 3,500 US homes in a year.
- One million recycled cell phones = 35,000 lbs. of copper, 772 lbs. of silver, 75 lbs. of gold and 33 lbs. of palladium recovered.

TAKE RESPONSIBILITY, RECYCLE AND MAKE A DIFFERENCE

Responsible electronics recycling is the law in New Jersey. To recycle the electronics at your company, contact John Martorano at 856-979-5310 or visit www.thanksforbeinggreen.com.
